

LATAM Airlines Group S.A. appoints Ricardo Bottas Dourado as its new Chief Financial Officer (CFO)

Santiago, December 23, 2024 - LATAM Airlines Group S.A. appoints Ricardo Bottas Dourado as its Vice President of Finance (Chief Financial Officer). A Brazilian national, Bottas has a solid track record of over two decades in finance. He has held key roles in areas such as auditing, controlling, treasury, financial planning, mergers and acquisitions, and investor relations, which have enabled a comprehensive understanding of the key aspects of the financial market.

The executive has served as CFO and CEO in various companies, standing out for his ability to guide organizations in highly competitive and complex environments. Ricardo Bottas' vast experience in the financial sector, his deep knowledge of investor relations management, and his ability to drive forward growth strategies were key factors that led the LATAM Airlines Group Board of Directors to consider him the ideal candidate for the position and a key player in preparing the group for future challenges.

Bottas will assume the role in January 2025, subject to the immigration procedures required by the Chilean authorities for him to assume his position.

ABOUT LATAM GROUP

LATAM Airlines Group S.A. and its subsidiaries are the leading airline group in Latin America, with presence in five domestic markets in the region: Brazil, Chile, Colombia, Ecuador and Peru, in addition to international operations within Latin America and to Europe, Oceania, Africa, the United States and the Caribbean.

The group has a fleet of Boeing 767, 777, 787, Airbus A321, A321neo A320, A320neo and A319 aircraft. LATAM Cargo Chile, LATAM Cargo Colombia and LATAM Cargo Brazil are the LATAM group's cargo subsidiaries. In addition to having access to the bellies of the passenger affiliates' aircraft, they have a fleet of 22 freighters. These cargo subsidiaries have access to the group's passenger aircraft, and operate within the LATAM group network, as well as on exclusive international routes for cargo transportation. In addition, they offer a modern infrastructure and a wide variety of services and support options to meet the needs of its customers.
